## **A Happy New Year to all our clients**

So much has happened here at the clinic in the past year and things are being updated and improved all the time, so we thought we would let you in on all that is going on and keep you informed of monthly offers so that you don't miss out! Here is the first of our newsletters to you, we hope you enjoy reading them, please let us know if there is anything else you would like to see in them.

## **News in brief:**

### **Decleor Gold Salon Status for the 6th year running...**

The Skincare Clinic was again presented with a "Gold Salon Award" from Decleor to celebrate being a "Salon of Excellence". This is the 6th Gold Award received by the Skincare Clinic in the last 6 years. Salon manager Heidi Silvester is 'proud to be recognised by Decleor as a salon of excellence and thinks it's due to all staff excelling in the role of making an excellent salon environment for clients to enjoy top quality treatments at an affordable price.'

## Products of the month

### **DECLÉOR Aromessence Contour**

**Price: £39**

DECLÉOR uses the power of essential oils to aid in the slimming process with their Aromessence Contour, slimming body concentrate. This oil is the result of major advances in the field of slimming. They have discovered an original synergy of five 100% pure and natural essential Oils – Basil, Grapefruit, Black Pepper, Hyssop and Clary Sage, of which result in the effect of visibly improving the appearance of cellulite and stimulating the body's removal of stubborn fatty deposits.

*Apply in the morning over your areas of concern with long, sweeping strokes. In order to achieve the best results try using the DECLÉOR contour balm and expert contour slimming aromatic fluid as well. Please contact the clinic for more information.*

### **DERMALOGICA Stress Relief Treatment Oil**

**Price: £14.80**

Feeling a bit under the weather or stressed? Then perhaps the Dermalogica Stress Relief Treatment Oil is the product for you. Suitable for all skin types, this aromatic body treatment oil can be used for massage or to create an aromatherapy bath, add 4-8 drops into the water. It contains a sublime combination of essential oils to smooth, condition the skin and stimulate your senses! Fantastic also as a deluxe skin conditioning treatment; why not try adding it your body lotion to give dry skin a boost?

Look out for next month's products of the month!
